

# GHT-9642

## GREAT HEART SEED

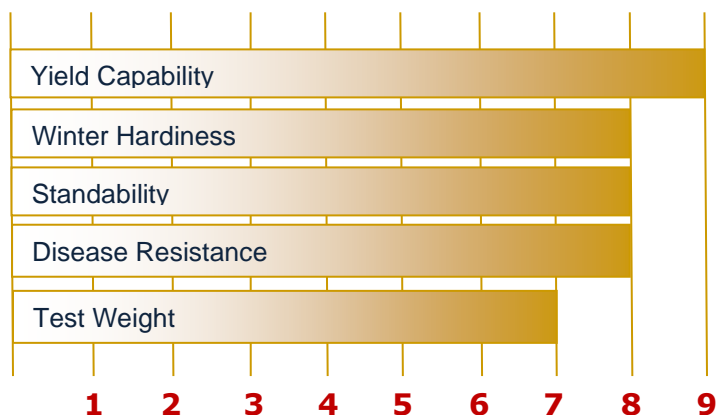

### KEY STRENGTHS

Superior consistency  
Record setting yield potential  
Head scab resistance reduces spread of infection  
Very good agronomic package  
Strong winter hardiness  
Establishes a stand quickly with excellent tillering

### MANAGEMENT TIPS

Very versatile variety  
Has the ability to excel in high and low yield environments  
Will respond to higher management but doesn't require it  
Easy product to place across variable acres
